

**KITFEM News n° 6**

New research exchanges facilitated via the KITFEM project, funded by the European Commission’s H2020 platform, are being carried out. As part of this Research and Innovation Staff Exchange program, Fundación Madrid +D is currently hosting Mr. Marco Esposito, from University of Salento (Italy) and CUNEF is hosting Mr. Lorenzo Quarta, from EKA ,SL (Italy). Both researchers are spending two months in Madrid and are collaborating actively in the project’s work package “International Technology Transfer, Knowledge Networks and Innovation Capabilities Upgrading “, led by Prof. Claudio Petti.

PhD. Mu Tian, affiliated to the Center of Knowledge and Innovation (CUNEF), is currently carrying out a research stay in Pekin University, China, via the European project KITFEM. His research contributes to the development of project's work package No 2 "Collaborative Innovation among Stakeholders", coordinated by Prof. Verónica Rosendo
