EDUCATION

- Ph.D. Economic History. Universidad Complutense de Madrid.
- B.A. Economics. Universidad Complutense de Madrid.
- M.A. Higher Education. Universitat de Barcelona.

AREA OF EXPERTISE:

- Business and Economic History, International Business History, Foreign direct investment impact.

BRIEF BIO:

- Associate Professor (with Tenure) of Economic History at CUNEF (Madrid). Before joining CUNEF, she was assistant professor at University of Barcelona. She has been visiting fellow at University of Reading, University of York and Jinan University. Her research has focused on the long term effects of foreign direct investment in late developing economies, being awarded twice by the Spanish Association of Economic Historians. Having published near twenty articles and book chapters, including at *Business History* and *Business History Review*, she has collaborated with thirteen competitive research projects. She serves on the boards of indexed *Revista de Historia Industrial* and open-accessed *Journal of Evolutionary Studies in Business*. She is General Secretary of the Spanish Association of Economic Historians since September 2018 and council member of the European Business History Association since January 2018.

KITFEM WORK PACKAGE:

- Work Package no. 5: Innovation in emerging markets and impacts on the EU
