EDUCATION

- Bachelor in Business Administration and Management. Major in Finance. CUNEF (Colegio Universitario de Estudios Financieros), Madrid.

BRIEF BIO

- Esther is Head of Research Services at CUNEF since beginning of 2017, and she also holds the position of Project Manager of the KITFEM Project. A large part of her career has been developed at CUNEF, where she held various positions of responsibility in the last 11 years such as Head of International Office, and Head of Careers & Job Placement Department, among others.
- Before joining CUNEF in 2006, Esther held different positions for Banking and Consulting Firms. Her duties were mainly focused on Financial Commodities Risk Consulting for Global Markets, Analysis of Operations, Accountancy for Deposits and Derivative Instruments, Fix Income Allocation through modeling techniques, analytical processes and thoughtful guidance, Foreign Exchange Operations, Fix Term Deposits, Financing Operations and Repurchase Operations.

KITFEM WORK:

- Project Manager of the KITFEM Project. Esther provides a comprehensive management of the project through the administrative guidance on the project. She manages the day-to-day operational aspects of the project, identifies different stages of the working plan, writes deliverables and reports, monitors different tasks in accordance with schedules, and coordinates several meetings, groups and activities. She also assists work package leaders and researchers to ensure the effective running of their research activities and planned secondments.
