BRIEF BIO

Claudio PETTI is Senior Researcher and Assistant Professor at the Department of Engineering for Innovation University of Salento (Lecce, Italy). His research activities integrate the fields of technology innovation management, entrepreneurship and strategic management, with particular focus on Chinese firms. His research has been published in a number of scholarly journals such as Management Decision, Knowledge Management Research and Practice, Asian Economic Papers, International Journal of Technology Management. He also edited two books on technological entrepreneurship, the latest specifically focused on China. On these topics he coordinated an EU FP7 Marie-Curie International Research Staff Exchange Scheme (IRSES) named E.N.T.I.C.E. Overall, he published more than 50 works and teaches regularly in graduate and undergraduate courses in Italy and abroad.
